

Summer Day Camp 2024
July 15-18th

OVERVIEW:

Day Camp is for elementary aged children involved in Mission Possible's weekly programming during the school year. This is an opportunity for believers to come together to help youth in our community learn about God and experience His love in a safe, caring, & fun environment. The week includes art projects, STEM activities, singing, games, Bible lessons, and lots of fun! The purpose of camp is to teach the campers about Jesus, show them God's love for them, and to have fun together!

BIBLE LESSONS:

Theme: Rebellion- Lost in the Desert

Theme Verse: "The Son of Man came to seek and save the lost." Luke 19:10

Lessons: Each day will be broken up into multiple lessons as we take them through the whole Gospel story throughout the week. Our theme will be "*Lost in the Desert*" where campers will be taught about how our sin separates us from God, but not all hope is lost since God provides a way for us to be with Him forever!

VOLUNTEER ROLES:

Boy & Girl Counselors ((High School & Up))- Our counselors will be paired with 1-2 elementary aged campers within their group to build a relationship with and focus on during camp. As a camper's counselor, you get to have fun with them, help them make good choices, teach them about Jesus, and participate in all the camp activities together.

Boy & Girls Group Leaders ((College & Up))- Group Leaders will help shepherd our counselors as they are building relationships with their campers. They will help lead the group in unity, handle more difficult situations, offer counselor support, and be an extra set of hands and eyes for their assigned group.

Activity Leader/Helpers ((College & Up))- Everyday we will have an art & STEM activity for the campers, so we need volunteers to help lead these activities! We'll have everything you need to lead each day including supplies and instructions. Our activity leader/helper will help facilitate the activity and guide the kids through the instructions.

Lunch Helpers- Our lunch helpers will help set out lunch for everyone, replenish food as needed, and clean up after everyone's finished. Lunch will be sandwiches, chips, and fruit each day! This will be from around 11:30-1:30pm each day of camp.
